Modern language study provides insights into the nature of language and its role in human learning and expression, while developing your communication skills and intercultural awareness.

These programs develop specialised skills suited to a variety of teaching environments. They are internationally recognised, and produce teachers who are equipped to work in schools, language centres and universities around the world.
Graduate Certificate in Modern Languages Education (Stream A) GC-MLEA
Graduate Certificate in Modern Languages Education (Stream B) GC-MLEB
Master of Modern Languages Education (Stream A) MC-MLEA
Master of Modern Languages Education (Stream B) MC-MLEB

Minimum entry requirements
- An undergraduate degree and a fourth-year level education qualification, or equivalent; or
- A four-year education degree, or equivalent.

Applicants are also required to have:
- completed a three-year major in a language other than English; or
- an equivalent high degree of proficiency in a language other than English; and
- Stream A applicants must be eligible for registration with the Victorian Institute of Teaching.

All students must meet English language requirements.

Outcomes
These programs will deepen your understanding of the theory and practice of language teaching, and provide you with specialist knowledge to supplement or advance your qualifications.

You will explore themes including:
- methodology and curriculum design
- intercultural development and language acquisition
- bilingual education
- content and language integrated learning (CLIL)
- historical, social and political influences on the teaching of modern languages.

Stream A is for qualified teachers who wish to be recognised by the Victorian Institute of Teaching (VIT) as a Languages teacher. Stream B is for those who do not require VIT registration.

Academic staff
You will benefit from the research and practical experience of leading academics, including Professor Joseph Lo Bianco, Dr Russell Cross and Dr Ulrike Najar.

Delivery modes
Most subjects are delivered by on-campus lectures and tutorials. Stream A students must ensure they are available for 22 days of supervised placement at a school or similar setting during school hours.
