NOTES:

* Prerequisites: will apply for entry into the following pathways:

- Mathematics, Science & STEM - Teacher Candidates must achieve a minimum average of H2A (75%) in EDUC90778 Primary Mathematics Education 1
- Literacy - Teacher Candidates must achieve a minimum average of H2A (75%) in EDUC90367 Foundational English Literacy
- Languages - Completion of a major study of an approved language. Candidates with other qualifications will need to arrange to be assessed by a language department of an Australian university as being of equivalent proficiency.

** Place Based Electives: Entry is subject to successful selection and specialised focus placement availability. Place Based Electives are as follows; EDUC90919 Place Based Elective (Indigenous), EDUC90916 Place Based Elective (Alternative), EDUC90922 Place Based Elective (International), EDUC90923 Place Based Elective (Rural/Remote)

*** Alternative Electives: Teacher Candidates that undertake the Literacy, Mathematics or STEM specialised pathway can elect to take an alternative elective or Placed Based Elective with a different focus, as they have already gained the required pathway minimum of 50 points.

RESEARCH OPTION:

Teacher Candidates undertaking the Research option take EDUC90419 Education Research Methodology in place of EDUC90833 Researching Education Practice (Primary) in semester 3; and Continue to follow their specialised pathway and undertake the following three subjects in semester 4:

- EDUC90558 Education Research Study (37.5) - specialisation focus
- EDUC90777 Literacy Assessment and Learning OR EDUC90886 Leading Literacy in Primary Schools (10 day Placement Hurdle) (6.25)
- EDUC90776 Primary Mathematics Education 3 OR EDUC90835 Primary Mathematics Education 3 (Extension) (6.25)

These Teacher Candidates do not take EDUC90888 Primary Arts Education 2 (6.25), EDUC90883 Inquiry Learning in the Humanities (6.25) or EDUCXXXXX Elective/ Placed Based Elective (12.5)
