

TAPP Project | Phase 2

Workshop

Wednesday 30 May, 2018
2.00pm – 4.00pm

Mac. Robertson Girls' High School
350-370 Kings Way

In Attendance:

Workshop purpose:

Enable MGSE to develop a better understanding of:

1. School staff perception of TCs competencies whilst on placement

- Knowledge base
- Skills and abilities
- Attitudes/values

Does this perception change over time i.e. from Placement 1 to Placement 3?

What advice do school staff have regarding the academic curriculum? Are there questions?
Are there suggestions for improvement?

2. Challenges and realities of teaching and school environments

What implications are there for:

- Course design and ongoing curriculum development and review
- Practicum subject development & assessment tasks
- School-university partnerships?

Workshop agenda:

- a) Introduction to workshop, overview of Master of Teaching Course (20 minutes)**
- b) Participants report on their schools' perspective regarding responses to the two questions above (30 minutes)**
- c) Panel session – Individual presentations by a Mentor Teacher, STC, CS and TC (40 minutes)**
- d) Discussion & Conclusion – where to from here? (30 minutes)**
