

7TH BIENNIAL

POS RESEARCH CONFERENCE

Illuminating Research for a Positive Future

JUNE 23-24, 2015

DISNEY'S CORONADO SPRINGS RESORT
LAKE BUENA VISTA, FLORIDA

INSPIRING RESEARCH AND INSPIRING SCHOLARS

Join us at the POS Research Conference as we share and advance qualitative and quantitative research in the field. This biennial gathering of top scholars features developmental research sessions geared toward building the next generation of POS research.

The POS Research Conference is immediately preceding *The Fourth World Congress on Positive Psychology* presented by IPPA, June 25-28, 2015.

CELEBRATING EXCELLENCE IN RESEARCH

The Michigan Ross Center for Positive Organizations will present the *2015 Award for Best Paper in POS* to recognize outstanding scholarship in positive organizational scholarship and to encourage research. The award recipient presents at the conference, based on the winning article.

POS RESEARCH CONFERENCE

Illuminating Research for a Positive Future

CALL FOR ABSTRACTS

On Day-2 of the research conference there will be multiple research papers presented in 12 different research tracks. The research tracks will be hosted by 12 different content curators. Top researchers including Erik Dane, Emily Heaphy, Andrew Knight, Sally Maitlis, Dave Mayer, Sharon Parker, Chris Porath, Laura Morgan Roberts, Scott Sonenshein, and Lea Waters have agreed to host a track.

Authors of POS research papers are invited to submit a 1-page, single-spaced abstract for potential presentation. Abstracts will be used to select research papers to be presented in each track. The tracks include:

- + Alternative Research Methods
- + Energy & Thriving
- + Individual & Collective Strengths
- + Learning, Growth, & Resilience
- + Mindfulness & Attention
- + Positive Emotions
- + Positive Change
- + Positive Meaning and Identity
- + Positive Relationships and Reciprocity
- + Proactivity
- + Virtues, Ethics, & Prosocial Behavior
- + Wildcard Session
